KALEIDOSCOPE

Kaleidoscope began in 2018 as a high school music talent showcase. In 2019, Kaleidoscope was expanded to include a student art gallery. To increase community involvement, the Douglas County Chamber Singers, comprised of vocalists of all ages, opened and closed the show for the high school students.

2018 \$9,982

2019 \$10,699

SUPERINTENDENT'S GALA

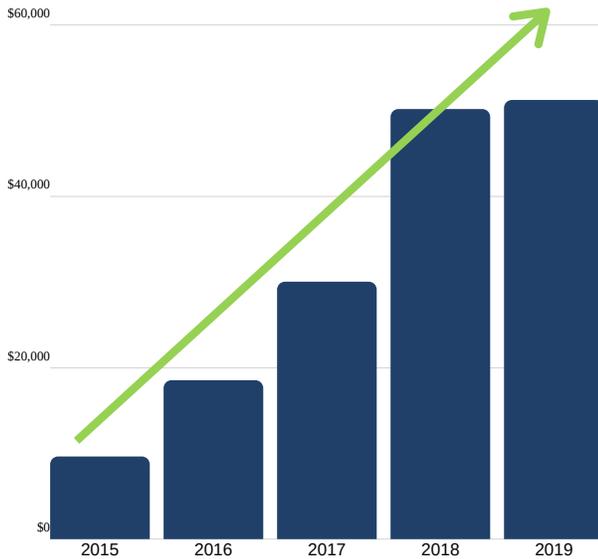

DCEF was pleased to be asked by Superintendent Trent North to partner with him in the inaugural Superintendent's Gala, a memorable evening of dining, dancing, and networking with business, community, government, and school system leaders.

The sell-out event's theme was Great Gatsby and raised over **\$45,000** for out-of-classroom experiences for students enrolled in Special Education classes. A portion of the proceeds were used to establish an endowment to provide grants to students for generations to come. The remaining \$12,000 was dispersed to schools that have Special Education classes.

Staff were given the opportunity to contribute to one or both organizations. Almost \$52,000 was raised, with just over \$14,000 earmarked for CISDC.
