

On behalf of the Douglas County Education Foundation (DCEF), we want to congratulate all DCEF 2024-25 scholarship awardees! This year, DCEF received 246 student applications for 13 available scholarship offerings. To ensure the best and fairest scoring process, each applicant was reviewed and scored by (3) anonymous volunteer reviewers which consisted of local residents, business leaders, and DCEF supporters. DCEF sincerely thank our community volunteer reviewers for actively supporting students of the Douglas County School System.

A huge and special thank you to our scholarship donors! Without you...there would be no us. Thank you for investing in the future success of graduating high school seniors from the Douglas County School System and for entrusting the Douglas County Education Foundation to administer your scholarship offerings.
